

Dynamic Design Digital Printed Glass Standard Limited Warranty

Glass Dynamics warrants its Decorative Digital Print Glass with a ceramic ink coating for a period of five (5) years from date of manufacture against defective materials or workmanship which could result in peeling, cracking or deterioration of the ceramic ink under normal conditions.

In the event that a digital print product with a ceramic ink coating is found and verified by Glass Dynamics to be defective, Glass Dynamics will replace the digital print panel without charge, FOB nearest shipping point to the place of installation or, at Glass Dynamics's option, refund the purchase price of the glass. In no event will Glass Dynamics's liability exceed the purchase price of the glass. If Glass Dynamics elects to replace the defective glass, Glass Dynamics will not be liable for any other expenses, including, but not limited to, removal of the defective unit, installation of replacement units, any labor, materials, and/or any other damages, including incidental, indirect, special, or consequential damages. Further, the warranty of the replacement glass will be limited to the remainder of the warranty period of the original glass.

Glass Dynamics expressly assumes no responsibility for and this warranty does not cover the following: glass breakage, product failure due to improper usage; product failure due to improper handling, loading, unloading or storage; incompatibility with other glazing or installation materials, including, but not limited to, coatings, sealants, gaskets, setting blocks, lubricants, insulation or any other materials; faulty installation or building construction; damage caused by water not attributable to the Glass Dynamics product; failure to adhere to instructions regarding installation and/or maintenance of the unit, including written proof of routine maintenance (consult Glass Association of North America Glazing Manual); improper design; errors in provided specifications; scratches or abrasions to the product; abnormal weather conditions; or damage caused by cleaners, solvents, acids, alkalis or any other chemicals used on or around the products.

Glass Dynamics reserves the right to inspect, in the field, any ceramic ink digital print glass that is alleged to be defective. The purchaser's exclusive remedy is limited to the legal remedies described in this warranty. Glass Dynamics will not be liable for any incidental or consequential damages of any kind. Glass Dynamics's warranty will be void in the event that full payment is not received for goods and services within the agreed upon terms of sale.

GLASS DYNAMICS MAKES NO OTHER WARRANTY, EITHER EXPRESS OR IMPLIED, REGARDING THE PRODUCT, INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

No variation or change from this warranty will be binding upon Glass Dynamics unless made in writing and signed by an officer of Glass Dynamics.
